

Bio-Statement of Professor Daniel D. Bradlow

Daniel D. Bradlow is Professor of Law and Director of the International Legal Studies Program, and Coordinator of the SJD, Hubert H. Humphrey Fellowship and International Visitors Programs at American University- Washington College of Law in Washington, D.C. where he specializes in international economic law. His current scholarship focuses on the international financial institutions, the international legal aspects of sustainable and equitable development, and the legal aspects of debt and financial management. He is a Senior Special Fellow in the Legal Aspects of Debt and Financial Management Programme of the United National Institute on Training and Research (UNITAR), and a member of the Board of Directors of ILEAP (International Lawyers and Economists Against Poverty) and of the Governing Board of the African Law Institute. He has worked as a Consultant to the World Dams Commission, MEFMI (The Macroeconomic and Financial Management Institute for Eastern and Southern Africa), Pole-Dette, the World Bank, the African Development Bank, the United Kingdom's Department for International Development and the MacArthur Foundation and served as a member of the International Law Association's Committee on Accountability of International Organizations and as an advisor to the Rethinking Bretton Woods Project. In 1996 he was a Visiting Professor at the Community Law Centre at the University of the Western Cape, South Africa. He has lectured in the United States and many countries in Africa, Asia and Latin America on both the public and private aspects of international economic and financial law and on the negotiating and structuring of international economic transactions.

Prior to joining WCL, Professor Bradlow was a Research Associate at the International Law Institute and a consultant to the United Nations Centre on Transnational Corporations, as well as an attorney in private practice.

His publications include books and articles on international financial law, the international financial institutions, foreign investment, the World Bank Inspection Panel, regulatory frameworks for dams and dam safety, globalization and its implications for global economic governance and the changing responsibilities of the World Bank and the IMF in the management of the global economy. Professor Bradlow holds degrees from the University of Witwatersrand in South Africa, and Northeastern University and Georgetown University in the USA and is a member of the New York and District of Columbia Bars.

His recent publications include:
