STUDENTS INTERESTED IN GENDER AND THE LAW SHOULD ATTEND

Do you want to know what gender and the law classes are being offered next year before registration? Are you interested in learning about how to pursue a career in family law, LGBT or women's rights, or how to volunteer while working at a law firm? Do you wonder what activities and opportunities you can participate in outside the classroom at WCL?

Come have all your questions answered by the Women and the Law Program and faculty members who teach WCL's gender and law courses.
