

Justice, Gender and Sexuality in Latin America

September 17th, 2:00- 3:00pm

International Student Lounge

*Sponsored by the Women and International Law Program and the
Latino/a Law Students Association (LaLSA)*

WCL has been instrumental in creating some of the first casebooks and textbooks on gender and law in Latin America. These books have been distributed all over the hemisphere, but many WCL students don't know about our important work in this area!

Please join **Macarena Saez**, WCL's International Programs Coordinator and Editor of the recently published "*La Mirada De Los Jueces: Género y Sexualidad en la Jurisprudencia Latinoamericana*" (The Judge's Gaze: Decisions about Gender and Sexuality in Latin America) and Brazilian Prosecutor (and WCL Humphrey Fellow) **Andrea Souza** as they discuss and take questions on issues affecting women and sexual minorities in Latin America, including recent changes to the role of the courts in Latin America, lesbian motherhood, reproductive justice, citizenship, and domestic violence.

Come for coffee and dessert!
