

Please join the Women & International Law Program and the Environmental Law Society for an *International Week* panel on

Gender & Climate Change

Featuring:

Professor David Hunter, WCL
Ilana Solomon, ActionAid USA

September 22, 2009

3:00– 4:00pm

Student Lounge, 6th floor

ALL STUDENTS, FACULTY & STAFF ARE WELCOME

**What does gender have to do with
Climate Change Law?**

**Is there a link between gender inequality
and climate change?**

Join us for dessert and coffee.

- ◆ Come hear about current advocacy strategies at the international level seeking to mainstream gender considerations into climate change mitigation efforts.
- ◆ Learn what women are doing to prevent and combat the effects of climate change in their local communities.
