A NOTE REGARDING FREQUENCY AND OUR NAME CHANGE:

This is the eighth volume of the *American University Journal of Gender, Social Policy & the Law*. Prior to volume seven, we were known as the *American University Journal of Gender & the Law*. In 1998, we changed our name in an effort to reflect the more expansive range of topics published by the Journal. As always, the Journal remains dedicated to exploring gender and social issues in the law, providing a forum where those of all views can engage in rewarding and challenging discourse and debate.

For reference, our publications to date have observed the following frequency:

<u>Volume</u>	<u>Number of Issues</u>
1	1
2	1
3	2
4	2
5	2
6	3
7	3

Volume seven closed with the Summer, 1999 book. This issue marks the beginning of volume eight, which will contain three issues.

Questions regarding our frequency, name change, and other subscriber problems should be addressed to:
