

The *American University Journal of Gender, Social Policy & the Law* is published by students at American University, Washington College of Law. This is the ninth volume of the *American University Journal of Gender, Social Policy & the Law*. Prior to volume seven, the *Journal* was known as the *American University Journal of Gender & the Law*. In 1998, the *Journal* changed its name in an effort to reflect the more expansive range of topics published in the *Journal*. As always, the *Journal* remains dedicated to exploring gender and social issues in the law, providing a forum where those of all views can engage in rewarding and challenging discourse and debate.

For reference, the *Journal's* publications to date have observed the following frequency:
