

OFFICE OF THE DEAN

February 6, 2009

Please join us for the 12th Annual Hispanic Law Conference Career Forum, sponsored by American University Washington College of Law, on **Thursday, March 5, 2009** from 3:30 – 4:30pm on the sixth floor of the law school. The conference is held in conjunction with our Founders' Celebration and attracts J.D. and LL.M. (Master of Laws) students from area law schools and schools across the country, as well as practicing attorneys and legal scholars.

The Career Forum presents an opportunity for legal employers to meet informally with J.D. and LL.M. students during an afternoon table talk session. Each organization will be assigned a table for one or more representatives for the purpose of promoting your organization's work and programs, as well as current and upcoming recruitment initiatives.

Although there is no fee to register, space for Career Forum participants is limited. To register, please visit <http://www.wcl.american.edu/hispanic/>. Select registration on the left-hand side menu bar, then enter your personal information. Do NOT enter billing information, as this conference is FREE. Select any conference topic areas in which you are interested, press next, and continue on to the next page. Under price, choose your status as Career Forum employer. Finally, click on Career Forum, as well as any other event you are interested in attending, and click submit when done.

The registration deadline for the Career Forum is Friday, February 27, 2009. If you have any questions, please feel free to contact Robin Fulton at 202-274-4095 or by e-mail at rfulton@wcl.american.edu. We look forward to your participation in this important event.
