PREPARE...

You must clear any stops on your account before registering. You may check these stops on your snapshot on <https://myau.american.edu/>. (View STOPS). These include financial, parking, library, immunization, billing address, visa, etc. You should check with appropriate offices to clear these stops. All international students must check with the International Student Services Office on the main campus (Butler Pavilion 410 – Tel: 202-885-3350) to be cleared for registration. Non-degree, SJD, transfer students and students who have taken a semester off should check with the registrar’s office for registration.

If you are a full-time student and wish to register for more than 16 credits, you will need prior approval from the registrar's office. Part-time students may take a maximum of 11 credits.

REGISTER...

Go to <https://myau.american.edu> and log on using your Eaglenet ID and password. If you need help, click on the link provided.

Go to "WCL Course Registration" in the listing on the right-hand side. If the portal has a large number of users, you will receive a message asking you to wait and remain in the queue. You will also be reminded not to click on "SUBMIT" more than once.

You will be asked to AGREE or DISAGREE with the initial statement of Student Responsibility, and then another statement on Parking Policy. If you AGREE, you may proceed to registration; if you DISAGREE, you will be unable to register.

Proceed to the section in green on the left – REGISTER/ADD COURSES. Carefully enter data for each block. You must enter "Law" in the first block, then the course number (three digits), then course section (usually "001" or "002") in the next block, then choose the semester (Spring 2012) and, finally, the grade type. Graded courses may not be taken Pass/Fail. You must enter this information for EACH COURSE you choose.

Once you have entered all course information, **click on SUBMIT one-time only.**

Warning: clicking on SUBMIT more than once may cause you to be thrown out of the queuing process and you will have to begin again. You are strongly urged to print out your schedule once you have completed the process to be absolutely certain of your class schedule.

NOTES ON THE WAITLIST PROCESS:

A Wait List process will once again be available for the spring 2012 pre-registration period. It will begin during pre-registration once a class closes and the last email will be sent on January 16, 2012. Students should not contact instructors directly and **MAY NOT** attend any classes for which they were not registered, despite having been on a waitlist at one point.

If a class you would like to take is already closed when you register, you can add yourself to the waitlist for the class by marking the 'Waitlist' box with a 'Y' in the portal's registration system and completing the entire registration transaction. You will receive a confirmation screen that lists all classes for which you are registered or waitlisted.

Classes with active waitlists will be noted on the course schedule at: <http://www.wcl.american.edu/registrar/coursesapp/searchcourse.html> (click on 'spring 2012'), where it will also show the limit for courses and the number of students currently enrolled.

The waitlist process is scheduled to run notifications of admission to classes around 7:00 a.m. every Monday through Friday until January 16, 2012. **You will have until 6:00 a.m. the day after you receive permission to register to add the class to your schedule.** If you wish to waitlist for multiple sections of the same course, you will be unable to do so on-line, so should contact the Registrar's office to put you on the waitlist for another section.

If a space becomes available for you, your status will change from 'Active' to 'Permission' to Register on your 'My Waitlisted Sections' page in the myau.edu portal. We encourage you to check this page frequently. You should also receive an e-mail from WCL.Waitlist informing you that a space has become available.

Please be aware that if you forward your AU GMAIL account to another e-mail account, the waitlist e-mails may get caught in your spam folder.

Once your waitlist status changes to 'Permission to Register,' you may add the course to your schedule following the same course registration process you used to originally register for summer or fall courses. **You will have until 6:00 a.m. the day after you receive permission to register to add the class to your schedule.**

If you miss your opportunity to register for a course, you may add yourself back to the waitlist. You will move to the end of the waitlist queue. *Available spots for students WILL NOT be held longer than the normal one-day permission period.*
