

# FIRST ANNUAL CRIMINAL LAW BRIEF SYMPOSIUM

**April 5, 2008**

**9:30 am – 5:00 pm**

American University, Washington College of Law  
4801 Massachusetts Ave, NW, Room 603, Washington, DC

The number of law schools engaged in producing criminal law publications has been steadily rising in the last few years, thus creating the need for an open network and community of the individuals engaged in producing these journals. This spring symposium will provide a forum to explore the experiences of law students and criminal law practitioners engaged in producing and writing for national criminal law publications, as well as to discuss recent trends and changes in criminal law. The symposium, the first of its kind, will be hosted by the American University Criminal Law Brief, and will consist of panel discussions, lunch, and an afternoon networking reception.
