

STUDY ABROAD

American University Washington College of Law's study abroad programs offer a variety of cultural experiences, legal settings, and academic focus areas. In fact, this variety is so rich that 38% of our students study abroad for some portion of their legal education. Options for study abroad include semester exchange, international dual degree, and summer abroad programs.

American University Washington College of Law is a dynamic law school at the center of policy, business, and all things international. We are a law school of over 1,700 JD, LL.M., and SJD students who **Champion What Matters.**

Founded on the principles of humanity, diversity, and equal rights, the law school community includes students, faculty, and alumni who incorporate these values into everything they do within our walls and around the globe. We offer more than 20 specialized programs including international law, human rights, law and government, intellectual property, business, and gender studies; as well as nationally recognized clinical and trial advocacy programs. Our location in Washington, D.C. opens up extraordinary internship and employment opportunities within branches of government, international organizations, private and public interest law firms, and non-governmental organizations. **What's more, you'll be surrounded by a community of students and faculty that encourage and inspire one another.**

EO/AA University and Employer

*The Master of Laws (Juris Doctor) is governed by the Australian ESOS framework. This seeks to ensure that the provision of education services to overseas students is of the highest quality. More information is available in the 'Government explanation for students' section. (CRICOS Provider: Monash University 00008C)
