

OCPD's List of DC Area Small and Mid-Size Firms, by Practice Area

The following is a list of over 800 small and mid-size firms in the DC metro area, divided by primary practice area(s). After identifying a practice area of interest, click on the firm's name to be taken to its website. Symbols indicate firms that have posted a position on CareerLink in the past (**), have at least one WCL alumnus/a (+), and have a summer program (~).

OCPD strives to provide you with resources that are comprehensive and up-to-date. However, this list is not exhaustive as firms may open, merge, close or make changes respecting their practice areas. If you would like to target small and mid-size firms as part of your job search, feel free to [schedule an appointment](#) with an OCPD counselor to develop job search strategies and review application materials.
