

# AUWCL COST OF ATTENDANCE SUMMER 2021

The Cost of Attendance (COA) is the maximum amount of financial aid permitted. Costs are associated with and limited to the period of enrollment.

**Living expense refunds, if applicable, are available after all spring grades are posted and satisfactory academic progress is confirmed. Financial aid cannot disburse early to cover expenses.**

Enrollment in a minimum of three credit hours is required to receive federal financial aid through an approved Direct PLUS Loan. In compliance with federal regulations, AUWCL's policy is to use the average loan fees of all borrowers. Federal loan recipients may borrow up to an additional \$89 per credit to help offset federal loan fees incurred at disbursement.

For students attending summer classes (minimum of 3 credits) and approved for Federal Work-Study (FWS), the FWS award is included in the summer COA and reduces Direct PLUS loan eligibility by the amount of the FWS award. A separate FWS application is required.

AUWCL reserves the right to modify or change the contents of the cost of attendance without notice.
